

Second Meeting: (April 11th 2013) Secondary Data for Hodgeman County was reviewed. This included Kansas Health Matters and County Health Rankings. (Icon links to this data are on the CHAT home page) The CHAT team reviewed this data and came up with a beginning list of Hodgeman County Strengths and Concerns. (Icon link for the Secondary Data Assessment Summary Sheet is on the CHAT home page) This list will be tailored more after the CHAT Team completes all the data assessments.
